

BOARD MEMBER

Are you someone who is energized by our vision and mission? Are you someone who enjoys manifesting ideas? Do you or would you like to develop skills in guiding the operation of a grassroots non-profit organization? Would you like to be part of a mission-oriented team? If you answered yes to these questions, then give us a call.

Or, if you can't commit to the level of a Board Member, but would like to support the organization through other leadership actions, take a look at the "Organization Advocate" roles.
