

Kistler Trail

THE TRAIL

Trail grade is steep in several areas. **Trail Stats:** 9 miles round-trip; elevation (4,921' at start / 3,226' at end).

TRAIL STEWARDSHIP: WHAT TO EXPECT ON **SATURDAY, 4-4-26**

Arrive at the [trailhead "parking area"](#) by 8:30 AM with your personal day packs, which should include water, snacks, lunch, personal items and clothing for the day. Personal Protective Equipment (PPE) and signage will be divvied out. On this trip, the following work is planned: install wayfinding signs at Bishop Creek Camp, Kistler Camp and the trail junction to Grapevine Camp. We will return back to the trailhead by 4:30pm; refreshments will be offered.

GETTING THERE

From Wawona in YNP travel north on Wawona Road for 5.2 miles. Just past Mosquito and Alder Creeks, look on the left for a [paved pullout with 2 bear boxes](#). There are no signs. This is it. The trail begins on the downslope below the pullout.
