

BE A TRAIL HERO

Access to Nature - Pay it Forward

IT'S ALL ABOUT RECIPROCITY

Nature Provides

Mental and Physical Health

Moments for Reflection

Adventure and Exploration

In Gratitude, You:

Become a Trail Hero

Serve your Community

Restore Access to Nature

Build Comradery

WHAT IS A TRAIL HERO? An individual who serves the community by working to keep public trails open and maintained for use by others.

WHO WE ARE: Mariposa Trails is a registered charitable non-profit that restores local trails and promotes their use through education, adventure, and stewardship programs in Mariposa County. Our programs are an invitation to build comradery with one another, while acknowledging nature is reciprocating with the gift of health and healing in people.

HOW IT WORKS: Organize a group of no more than 10 adults, and commit to a trail-tending date. You provide the transportation, food and water for each volunteer, and assure each has appropriate footwear and clothing. Mariposa Trails will provide a trail guide, trail-tending tools and training, personal protection equipment along with a safety talk. Plan for a full day of activity.
