

TRAIL BOSS

Lead a trail-tending team! With over 40 miles of trail to maintain, we need volunteers to lead the way. Guide your team to accomplish identified trail improvement needs.

WE WILL HELP YOU GET THERE

- gain experience while working as a trail steward
- get chainsaw certified
- become knowledgeable about tool capabilities
- work with the skills and talents your team provides while expanding their abilities
- model our motto – “Be safe, have fun and leave it better than you found it.”
