

VOLUNTEER CHAMPION

Volunteers are the heart and soul of the **Mariposa Trails** organization. The essential role of our Volunteer Champion is to ensure that our volunteers know that they are appreciated. We envision that our volunteers are encouraged to share their gifts, and that they are celebrated. To accomplish this objective, the *Volunteer Champion* may:

- plan and implement an annual volunteer appreciation party
- write up a “spotlight” article about individual volunteers
- create a “welcome package” for each new volunteer
- log volunteer hours
- Provide information to the US Forest Service in their efforts to host their annual volunteer appreciation party
